

***Fancy a change and coming to work for a
Varied, Exiting and Inclusive Company?***

Supacat Ltd Vehicle Technician
At our Dunkeswell site

Are you looking for a varied role within an inclusive family owned small medium enterprise with potential career progression?

An exciting opportunity has arisen for a Vehicle Technician, due to business expansion for a key role within the production of building and repair of world class vehicles that operate in harsh environments.

You will required to

- To carry out heavy vehicle workshop activities as tasked by the workshop manager primarily in the assembly and maintenance of company products and services, mainly onsite however the opportunity to work off site may arise from time to time.
- To assist in the maintenance of clean, tidy and safe work areas.
- To be prepared to work outside normal working hours, including weekends at sometimes short notice.
- To carry out servicing, inspection, maintenance and diagnostics of Supacat and other customer products to the highest standard.
- To be quality driven and ensure all relevant documentation is completed correctly and in a timely manner.

If you think this is the role for you and would like any further information or a job description for review, please contact Gemma
